## Wildfire Emergency Planning Information

*Proper preparation saves lives and prevents injury.*

The information below and on the reverse page will assist you in being prepared for a Pinebrook wildfire emergency.

*We encourage you to post this handout near a commonly used exit from your home.*

### GET READY!

Sign up for Summit County Alert Notification System: <https://summitcounty.info/getalerts>  
Sign up for Wildfire updates, fire conditions & outlook, and more by texting "SCFIRE" to 91896

#### Prepare now:

- Familiarize yourself with your specific home's evacuation route via map on reverse.
- **GO-KITS** (see below) near exit door.
- Flashlights in/on bedside tables.
- Water gallons/emergency food in garage.
- ID collars and microchips on pets/consider what you will do with your pets during an evacuation.
- Determine your "safe locations" at least 5 miles away from Pinebrook Park (home of friend or family member or other location).
- Make inventory/video of home contents.
- Learn how to open garage if you lose power.
- Family meeting to go over this handout.

#### Keep the following information accessible on phone and near exit door:

- Evacuation map (on reverse)
- Elderly/handicapped neighbor cell numbers
- Contact person cell number (person to coordinate messages if household is separated)

#### Prepare a **GO-KIT** for each person in a clearly marked bright colored bag /backpack. Include:

- Evacuation map
- Gloves (work gloves)
- Goggles
- Prescription eyeglasses (extra)
- Masks (N95 & plain) & t-shirt to cover face
- Wipes/hand sanitizers
- First Aid kit & OTC medications
- Prescription medications
- Extra chargers for cell/laptops
- Change of clothes/underwear/jacket
- Emergency foil blanket
- Cash/extra credit cards
- Flashlight/extra batteries
- Copies of important documents (passports, IDs, birth certificates)

### GO! - EVACUATION CHECKLIST

**LEAVE IMMEDIATELY IF ORDERED TO DO SO OR IF YOU FEEL UNSAFE.**

*Evacuate by foot only as a last resort.*

- Check/call neighbors.
- Place pets safely in cars or, if pets can't be found, leave out water/food.
- Drink water/stay hydrated.
- Notify contact person of safety status and evacuation plans.
- Take cell phones/laptops/chargers.
- Wear long sleeves & pants, sturdy shoes.
- Take **GO-KIT(s)**.
- Take fueled vehicle(s).
- Turn on headlights/recirculated air and tune radio to 91.7FM.
- If trapped, stay in building or vehicle.
- Follow designated evacuation route unless unsafe or if instructed otherwise by public safety officials (maps/routes on reverse).

#### Only if time permits:

- Tape note to front door indicating that you have evacuated (include contact info) or that you plan to stay.
- Shut all windows and doors (interior too).
- Leave on outside/inside lights.
- Shut off HVAC/ceiling fans.
- Turn off propane tanks and move them away from home.
- Turn off outdoor sprinkler system.
- Unlock or prop open fence gates.
